

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of: Ales CAPKA et al
Serial No.: 10/720,815
For: Cylinder Lock, especially for Motor Vehicles
Filed: 11/24/2003
Examiner: Bartlett, Suzanne Lale Dino
Art Unit: 3676

AMENDMENT

Hon. Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22314

Sir:

This is a response to the first Official Action on the merits issued in the above-identified application on October 20, 2005. Please amend as follows:

In the specification:

Replace the current page 20 containing the Abstract of the Disclosure by the attached replacement page 20 that is marked as "Attachment C" and contains a reformulated Abstract of the Disclosure.

In the claims:

Delete claims 1 to 10 without prejudice.

Replace the current set of claims 11 to 20 by the accompanying complete set of corresponding amended and not amended claims 11 to 20 presented on the attached replacement pages 17 to 19 marked as "Attachment A"
